

**TRANSLATION**

La Trinité-sur-Mer, 28 October 2014

Mr. Matt BROOKS  
President  
International 6m Association

The SNT is most pleased to welcome the 6mR World Cup in 2015. We have moreover an excellent souvenir of the organization of the 2008 European Cup.

We are convinced that the magnificent stretch of water provided by the Bay of Quiberon and the organization of activities on land with host families will contribute greatly to the satisfaction of the participants.

Looking forward to our future collaboration, I remain

Sincerely Yours.
